## Terms & Conditions

1. For Platinum and Diamond packages, Photo CDs, DVDs and/or Blue rays can be posted directly to your friends & family if requested and addresses provided.
2. All raw footage & final film can also be provided in external hard drive if one is provided.
3. Website will include highlights of the video and any selected images, guests' names, and details of wedding and love story as provided.
4. Domain and hosting will be provided FREE of charge only for the first year. We do not provide these services after year one. By the end of first year, you can transfer your domain to any registrar of your choice. Similarly you can host your website from any hosting company of your choice. We will guide you to get best market deals available at that time.
5. If you do not wish to have a website included, full package price will be charged.
6. Free wedding website is a limited time offer available until 25/01/2017. Prices and packages can change at any time without notice.
